

Drain unblocker

Gel

Sink, basin, shower, bathtub, toilet (including macerator toilets)

- ✓ Dislodges blockages, breaks down soap, grease and toilet paper, eliminates bad odours
- ✓ Enzyme formula, free from caustic soda and acid, septic tank safe, compatible with plastic, metal, chrome
- ✓ Leave to act ? 8 h (ideally overnight), rinse with warm water

FEATURES

When water drains slowly, the blockage is almost always organic: soap, grease, toilet paper, and accumulated residues. Its concentrated blend of selected enzymes actively breaks down these materials to restore drainage in kitchens, bathrooms, and toilets (including macerators). It simultaneously removes bad odours with no toxic fumes. Soda- and acid-free, preserving your plumbing.

INSTRUCTIONS FOR USE

- ✓ Shake bottle well before each use.
- ✓ Pour half of the bottle (1/2 litre) down the drain.
- ✓ Leave to act for at least 8 hours, preferably overnight.
- ✓ Then rinse thoroughly with warm water.

RECOMMENDATIONS

- ✓ Safe for all drains (plastic, metal, chrome) and septic tanks.
- ✓ Keep out of reach of children.

* The product or its components are not derived from organic farming. The term 'bio' or 'biological' refers to enzymes derived from microbiological organisms.
